FLOWKEY

The popular flowkey app is an exciting and intuitive way to learn how to play the piano or further advance your playing skills. It comes with an extensive selection of interactive songs, tutorials and courses. Select a song and start playing with immediate feedback for more playing and learning support.

5-YEAR GUARANTEE

More than a promise! Register your Clavinova premium digital piano within six months of the purchase date and receive a free five-year extended warranty.

SMART PIANIST

With the Smart Pianist app as the perfect companion at your side, you can select and adjust a wide variety of functions, from sound and tuning adjustments to piano models and acoustic settings. Smart Pianist also analyses the songs in your mobile device's music library so you can play along to your favourite tunes.
